

## First login to CPMS Setting up the preferences and thematic areas

- **Use Google Chrome as browser**
- To access CPMS go to <https://cpms.ern-net.eu/>
- When you first log in to the CPMS it is important to set up your profile and preferences in which thematic areas you would like to participate for consultations
- It is important and without this settings other experts will not be able to invite you to consult patients' cases!
- Click on ERN (1.), then on the left click on PREFERENCES (2.), describe your function/profession in the bracket (3.) and then select the fields of expertise you would like to be involved in (4.). Confirm (5.).

1. ERN

2. Preferences

3. My professional role: g. Radiologist

4. I wish to participate

5. Update My Preferences

Thematic Area	I wish to participate
Amyloidosis	<input checked="" type="checkbox"/>
